## Ledger by Maharam

Non-woven *Ledger* by Maharam is a smooth upholstery textile with the look and feel of leather.

Greenguard and Greenguard Gold certified, *Ledger* offers a reduced environmental impact. The textile meets strict emission levels for pollutants and therefore enhances indoor air quality.

*Ledger* is made from polyurethane and is extremely hard-wearing. It is bleach cleanable and particularly well suited to contract environments and healthcare institutions.

21 new colourways were introduced to expand the original neutral range. *Ledger* also comprises a number of accent colours, such as apple green, light blue, purple and tangerine.
